MAJCHRZAK AND CCC RECOGNIZED BY LOCAL MEDIA

By Erica Erwin: Steven Hurley sat in the church, silently praying. It was a Tuesday morning, a time when the 12-year-old boy might otherwise be sitting in reading class at Wattsburg Area Middle School. But on this day, he was at Calvary Christian Center in Harborcreek Township instead, his hands pressed together in supplication. Renee Majchrzak, the church's children's pastor, led the prayer, speaking directly to God using a headset microphone. She prayed for the kids who are believers, and for those who are not. "I ask you, would you speak to these kids' hearts?" Majchrzak said, pacing the room as she spoke. "Help them to know in their hearts, even though they can't see you, that you exist and that you love them." **Read On...**

Dennis L. Kutzner

IS YOUR FACILITY A SAFE PLACE? *Unfortunately, too many church buildings and events are not safe, but are accidents waiting to happen. Much can be done, however, to insure that structures and programs are as safe as possible. Don't be under insured or worse, not covered at all by the church's liability insurance policy.* **Dennis Kutzner**

- ☑ Dennis will come to your church or ministry facility and perform an onsite review of facility, systems, documents, programs, liability insurance, and policies providing you with a written summary of his findings. All in an effort to insure your facilities and ministries are as SAFE as possible!
- ☑ Dennis will meet with all church ministry leaders and teams to determine how effective the policies presently in place are to the overall safety issue.
- ☑ He will review the application process and background checks making certain the proper safeguards are in place and whether those safeguards are being adequately monitored.
- ☑ Dennis will consider whether the training programs in place are adequately covering the material that must be digested to insure a safe place.
- ☑ Dennis will conduct a church-wide course on the Stewardship Of Safety to assist everyone to be more aware of risks and their management.
- ☑ He will conduct an orientation session with the church Board of Directors to insure the understanding of their fiduciary duties.

Meet his expenses and an honorarium for CMI and he will gladly perform these and other services to help you better insure a safe place where you meet.

Steve Mills

CMI Pastoral Overseer of World Missions, Steve Mills says, “We need to put more emphasis on Dennis’ role in helping the organization and its affiliate ministries stay current on the law, insurance, compliance, and things like that. I am a member of several ministers’ fellowships and CMI is one of few that offer this type of service.”
